Cut out the implant registration information and give it to your patients

## GET YOUR IMPLANT CERTIFICATE

Your doctor recommends to register your implant. This can help you if you have worn it for a long time and if there are any problems.

You can either print out a free passport and have it completed  
(<https://implant-register.com/page-for-patients2/print>)

or you can register your implant online

(<https://implant-register.com/2544-2/>)

You can find more information about implants or how to behave in certain situations with your implant at the
